

Weight Control

Large Berries

Standard Modular Part #9805

1 lb 3 ounces

Small Berries

Low Profile Part #9825

1 lb 3 ounces

Control Your Weight On 1 lb Modular (Common Footprint) Clamshells

If you have a large berry and you need to make weight without bruising we recommend the standard.
If you have a small berry or your berry is sized down, we recommend the lower profile clamshell.
They both fit in the same tray for shipping.

**You Can Always Be
At The Right Weight**
